

Reception Parent Information Sheet - Autumn 1

In Maths, we will:

- Introduce the calendar, days of the week etc
- Introduce positional language
- Match objects and pictures
- Count in all areas of provision
- Sort objects into different categories
- Compare size, mass and capacity
- Compare amounts

In Literacy we will:

- Handle books correctly and follow print left to right, top to bottom.
- Locate the title.
- Segment and blend words orally.
- Recognise words that rhyme.
- Focus on dominant hand, tripod grip, mark making, giving meaning to marks and labelling.
- Use initial sounds to label characters and images.
- Write initial sounds and write simple captions.

In Understanding of the World we will:

- Focus on senses (what can they see, hear etc)
- Explore the Nature Conservation Area to focus on different senses
- Focus on Autumnal changes
- Look at the past and present

In Expressive Arts and Design and Physical Development we will:

- Draw self portraits
- Create skeleton pictures using straws
- Create pictures focusing on different shapes and colours
- Create faces based on Picasso
- Create Autumnal trees

Marvellous Me
