

## Reception Parent Information Sheet - Spring 2

### *In Maths, we will:*

- Building 9 & 10
- Recognise 3D shapes
- Explore repeating patterns

### *In Understanding of the World we will:*

- Draw information from a simple map
- Explore materials and their qualities
- Learn about characters from traditional stories
- Explore changes and make observations
- Explore what is needed to make beans grow
- Understand the changing season

### *Important Information and Dates:*

- World Book Day Thursday March 5<sup>th</sup>
- 

### *In Literacy we will:*

- Continue with Phase 3 phonics reviewing previous digraphs and trigraphs
- Become more confident in reading and writing tricky and high frequency words
- Become familiar with a wide range of stories
- Use adjectives to describe and compare characters and settings
- Write captions and labels
- Make story maps
- Write simple phrases and sentences
- Learn and recite poetry using our Poetry Basket scheme

### *In Expressive Arts and Design and Physical Development we will:*

- Explore, use and refine a variety of artistic effects to express their ideas and feelings
- Make creations collaboratively sharing resources and ideas

## Once Upon a Time

### *Things to remember:*

- Please ensure your child has a pair of wellies at school clearly labelled with their name, particularly on a Monday for our Nature Conservation slot
- Our **Secret Reader** and **Stay and Play** will continue this half term. A Parentmail will be sent shortly with details of how you can sign up for a session.
