

Year 5 Homework Grid Spring Term – to be handed in on a Friday

Each week, choose one activity from the grid to complete.

Remember, this may be in any form such as written, photographs, art work, computer print outs etc...

Work can be shared via the school email: school@adelprimary.org.uk or brought directly into school.

Write a review about a book you are reading. It might be your school book, a book you are reading at home, or your favourite book of all time!	Design and make a bridge to cross a busy river. What will you make it out of? How will you make it a strong structure?	X marks the spot! Use co-ordinates to create your own treasure map/island! Include volcanoes, rivers, palm trees etc. Don't forget to mark the treasure and explain how to get there!
Write 10 quiz questions about materials and their properties to test the class. (this works well on a PowerPoint)	Weather Warning! Choose a country from anywhere in the world and look at the rainfall/sunshine statistics.	Can you have a go at painting your own landscape painting in the styles of Vanessa Gardiner?
In the News! Is there a current news story that you are particularly interested in? Produce a piece of work telling me all about it.	Comic Strip: Create a comic strip about your favourite book character.	Choose a river anywhere in the world. Find out about it and produce your information however you wish.
